To Whom it May Concern,

Rebecca Thompson has been an employee here at EZ-NetTools for the past 5 months in our sales and marketing department. I have had the opportunity to work very closely with her and she has been a pleasure to work with. Rebecca is very detailed oriented and gives thorough attention to every project. Her communication and people skills are excellent and she has very innovative ideas.

I have been consistently impressed by both Rebecca's attitude towards her work and her performance on the job. Her positive attitude has allowed her to develop productive working relationships with both our clients and our staff. She has excellent written and verbal communication skills, is extremely organized, can work independently and is able to follow through to ensure that the job gets done.

I believe with Rebecca's attitude, talents and motivation she will be a successful individual in her chosen career and in turn will bring success to the company she chooses to work for. Rebecca is a valuable asset to us and will be to others as well in any future jobs.

Sincerely,  
Amy Allen
